The joint standing committee on printing, to whom was referred so much of the recommendations contained in the Mayor's inaugural as relates to the appropriation of eight hundred dollars (\$800) for completing the old town records, have attended to the business committed to them, and present the following report, and would recommend that eight hundred dollars (\$800) be appropriated for the same, said sum to include the expense of copying and of printing and binding two hundred copies, and the expense of the same to be charged to incidentals.

CITY CLERK'S OFFICE,

FITCHBURG, MASS., April, 1897.

Previous to the incorporation of this town, under the name of Fitchburg, in 1764, it formed a part of Lunenburg.

To begin, then, at the beginning, and acquire a knowledge of our origin, it is necessary to search into the early records of Lunenburg, in the transactions and events of which town the people who inhabited what is now Fitchburg had an equal interest and an equal share.

In Whitney's "History of Worcester County," the account of Lunenburg commences as follows:

"On the 4th of November, 1719, the General Court, at the request of a number of gentlemen, made a grant to them of this territory for a valuable consideration," etc. Who these "gentlemen" were is not known, but it is presumed they were among those whose names are preserved in the proprietors' books as the earliest settlers. The "valuable consideration" above mentioned will be made known by the terms of the grant.

Furthermore, this order, or grant of the General Court, is of great importance, for it is not only the foundation of our municipal rights, but it is the basis upon which rest all the titles to real estate in this town and Lunenburg. An exact copy of the original grant here referred to is to be found on page 7 of "The Early Records of the Town of Lunenburg," a book previously published by this city.

These two townships were designated by the committee appointed to allot and grant them out as the north and south townships. The former was afterwards incorporated by the name of Townsend, in the county of Middlesex. The south township included the present towns of Lunenburg, Fitchburg and a portion of Ashby.

The work of copying these "Proprietors' Records"

has been performed by Miss Lucy A. Hayward, assisted by Miss Edith L. Davis.

The work was necessarily somewhat delayed on account of the difficulty in translating the writing, some of which is very nearly obliterated.

In this connection I desire to extend my sincere thanks to Mrs. George W. Stone of Boston, Mass., for having rendered the cause much assistance by copying and forwarding to me the petition and bill to confirm the titles of land in Lunenburg and Fitchburg. I give these in full for the benefit of all who may be interested.

What this volume may lack in interest will be atoned for by bearing in mind that the names here recorded and the lots described are those of the original settlers of Lunenburg and Fitchburg. As such it will be a valuable companion book for "The Early Records of the Town of Lunenburg."

Among the names of the original settlers we find the name of Walter Beath, which in the other book, "The Early Records," was given as Walter Bees. The last letter was without doubt meant for an "f," being mistaken for an old-fashioned "s," and the Beef was meant for Beath, written as it sounded to the clerk.

The use of both kinds of the letter "s" in the same book and at the same time is liable to be confusing unless great care is exercised.

We believe that this book will be found to be of much service as a reference book to all persons interested in ancient records, and as showing the great amount of labor required of the early settlers in opening up this territory for civilization.

I think that all who take the trouble to read it will realize in a small degree the careful work required to copy it.

City Clerk.

Province of the }
Massachusetts Bay }

To his Excellency Thomas Hutchinson Esq. Captain General and Governor in chief The Hon^{ble} his Majesty's Council and Hon^{ble} House of Representatives of the Province aforesaid in General Court assembled.

John Taylor Representative of Lunenburg and Fitchbourg, for and in the behalf of said Towns
Humbly Sheweth,

That the Great and General Court or Assembly of said Province did on the fourth day of November 1719, Grant a Township called Turkey Hills lying South of North Town.

That the said Great and General Court did on the Seventh day of December 1719 appoint and fully Impower William Taylor, Samuel Thaxter, Francis Fullam Esq^r. Capt. John Sheple, and Mr. Benjamin Whittemore a Committee to allot and grant out the Lands in said New Township called Turkey hills — and to make return of their proceedings.

That said Com^{tee} did afterwards agreeable to the order of said Court allot and grant out said New Township called Turkey hills — The said Com^{tee} also transfered Sixty three House lotts in said Township now called Lunenburg and Fitchburg, and made return of their proceedings into the Secretary's office as appears from the Proprietors Book under the Committees own hand.

That the Return of some part of said Com^{tees} proceedings are not now to be found in said Secretary's office, and are Supposed to have been consumed by Fire when the Court house was burnt, whereby the property of some Hundreds of the good People of this Province is rendered in some measure precarious, as they have Improved, Sold, and wholly conducted themselves by the

Copy of said Com^{tees} proceedings as they left the same in the hands of said Proprietors Clerk and unless something further is done by this Great and General Court, to Confirm & establish the proceedings of the Com^{tee} aforesaid agreeable to their return it is greatly feared that in some future time not only the Inhabitants of said Towns but many others more remotely concerned may be led into very great difficulties & expences.

Your pet^r therefore in behalf of said Towns most humbly prays your Excellency and honors would be pleased to take their case into your wise and serious consideration, and that you would be pleased to Confirm and Establish the Transfers made by the General Courts Committee aforesaid and all other their proceedings respecting said Township called Turkey hills, now called Lunenburg & Fitchburg; or otherwise grant relief in such way and manner as your Excellency and honors in your known goodness shall seem meet.

And as in duty bound shall ever pray &c.

JOHN TAYLOR in the behalf of the
Towns of Lunenburg & Fitchburg.

An Act for Confirming the Titles & Quieting the Possessions of the Proprietors of the Towns of Lunenburge and Fitchburge. — —

Whereas the Great and General Court or Assembly of this Province did on the fourth day of December Seventeen Hundred and Nineteen Grant a New Township at a Place Called Turkey Hills then Called South Town, now Lunenburge & Fitchburge which at that time was a frontier Town of Six miles Square & Said Court did on the Seventh Day of December Seventeen Hundred and Nineteen appoint and fully Impower William Taylor, Sam^l Thaxter Francis Fullam Esqr^s; Capt. John Shelpe & M^r Benj^a Whittemore a Committee to Allot & Grant out the Lands in Said New Town which Committee did afterwards agreable to the order of Said Court allot and Grant out said New Township & make Return

of their Proceedings into the Secretarys office as appears by the Return of the Committee under their own hands on the Proprietors Book But the Plan of Each Lot with the then possessors & Proprietors Names that had the Land Confirmed to them is not to be now found in the Secretarys office nor Elsewhere but is supposed to be Burnt among the files when the Late Court House in Boston was Consumed by fire by which means the Property of Some Hundreds of the Good People of this Province is Rendered Precarious as the Same Lands have been Brought too out of a State of Nature and been Improved between forty & fifty years and have Passed by Sales through a Great Number of hands So that without the Interposition of this Court the Present Possessors and others were in Danger of the Gratest Difficulties, Distresses and Losses Relative to their Properties in Said Towns.
